**LANGUAGES:** Danish, English (native) Japanese (fluent) Italian (conversational), French (intermediate), Chinese Mandarin (beginner)

## PROFILE

Independent and resilient all-around reporter with a big passion for radio and podcast production. As an international journalist from a multicultural background, my work is characterised by being fair, inclusive and full of curiosity. Passionate storyteller, critical thinker and creative spirit. I'm able to quickly transform difficult knowledge into deep-dive formats as well as bite-size news reports across multiple platforms. I thrive best when the pace is fast, the coffee is strong and the space for creativity is unlimited.
